PJSC EL5-ENERGO PRESENTS A NEW LOGO

Moscow, February 15, 2023 — PJSC EL5-Energo (formerly named as PJSC Enel Russia) launches the process of changing its corporate style and introduces a new brand logo consisting of a multi-color image of the company name and a graphic element.

The new visual image demonstrates that the company is facing confidently the future, while saving many years of experience. The E letter symbolizes the electric power industry and has the form of a compass needle, the L letter belongs to the new majority shareholder PJSC "LUKOIL", the number 5 is a reference to the historical name of the company OGC-5. The dynamic element symbolizes a rotating turbine, the wind turbine blades in operation, as well as a floral image symbolizing the sustainability of the company's projects.
